

April 2012 Forecast

By Stephanie Clement, LPMAFA

♈ Aries

You want to spend more than you make—not good. A promise of income arrives around the 4th, but you may not see the cash until the end of the month. Stick to necessities. Then later you can reward your restraint.

Do something with family just for fun. You don't need to have any practical motive in mind. An elder family member presents a challenge around the 12th. Respond with compassion and create a suitable support system.

Once you set aside the money issues, make sure each person has their responsibilities in mind. The less is more principle kicks in and you not only make do, everyone flourishes.

Get comfortable with your significant other on the 5th and watch a movie. On the 7th sparks fly, but only the very best kind. Be sure to choose love on the 27th and carry the feeling through the end of the month.

♉ Taurus

Build connections with the females in your work environment. You may be contacted around the 5th with a proposal. Think this through carefully. Then bring all your enthusiasm to your counter-proposal on the 9th.

All your behind the scenes effort pay off when a family member looks gorgeous or sounds brilliant. Imagine the look you desire on the 5th. Bring it to fruition on the 29th if not sooner.

A child has been flying under the radar with some friends. Now is the time for you to add your energy to the mix, figure out what's what, and offer the support he or she needs. You reach agreement on or around the 23rd.

Create a lasting remembrance of your feelings now. A message on the 12th stimulates your thinking and you complete a document or other record around the 15th or 16th. Photo stories may do the trick.

♊ Gemini

Give yourself a few days, and then get creative with ideas for a new vocation or vocation. You can earn money while you do what you love! Go public with an imaginative new look on the 22nd.

Make little efforts at home pay off big. A can of paint can transform a room. There may be a huge mess on the 8th, but by the 14th you have a dynamic change completed. Try something a bit edgy in one small area.

A female requires help with health or social issues. A good initial goal is to create a degree of comfort. After the 12th you shift into serious mode to make plans for the long term.

Romance can benefit from a degree of comfort as well. Take a trip to the beach or the lake. Eat great food and relax, just the two of you. Leave worries behind for at least a day or two around the 19th.

♋ Cancer

Apply your physical energy to creative parts of your work. Yes, there are creative areas! Relieve stress by walking out doors each morning and afternoon for a few minutes, or walk up and down some stairs.

Family and friends gather for a party that could become a very big deal. Your role is to supply imaginative solutions to the one or two little bumps in the road to fabulous. Maintain an open mind.

If something breaks at your house, get it fixed immediately. If in any doubt, hire a professional so you don't have to fix it again any time soon. The 12th can be reserved for mopping up.

All your past efforts pay off now in the form of a golden vacation. Get away with your significant other for even one day around the 26th and rest easy knowing that the world will keep turning on its own.

♌ Leo

You have to work hard now, but it pays off. The devil doesn't have to be in your details! Take care of them first so the so-called frosting goes on the cake smooth as can be.

Some people change their minds big time now. By the 7th, though, you have a grip on the demands of the new order. Make changes on or before the 14th and you will have smooth sailing later.

Let your dream ego solve problems overnight. Think about what you need to do the next day, just before you go to sleep. A dream may just tell you exactly what you need to know.

Let your intuition be your guide to romance and passion, starting on the 9th with some sort of hearts and flowers. On the 22nd you have your message refined and are ready to pour your heart out.

♍ Virgo

You start the month with behind-the-scenes arrangements to create comfort on stage. Add glamour to the mix on the 5th. Get physical with the props around the 7th. Dress rehearsal is on the 10th, so be ready!

For family fun, you might try travel by train. There are some great day trips to try in different parts of the country, or take a long ride across state lines. You lose the feeling of being trapped in a seat for the duration.

Money is not the real issue. Decisions are. You don't need everything all at once. Prioritize your to-do list so you can check off something around the 9th, the 22nd, and the 27th. You will feel more satisfied that way.

Explore the mysticism of love on the 4th. The two of you may discover you like it every bit as much as the passion. Between the 19th and 22nd the two of you move effortlessly from being just allies to being spiritual companions.

Libra

Center your career activities close to home. A female offers long distance suggestions that mark the start of creative action. On the 25th you hear about difficulties from a partner. On the 29th you find just the solution you need. The house never looked better!

Now you focus on making your house a home in a new way. You feel you must expand your horizons to make this happen. Follow the psychic vibes on the 4th to enrich your imagination. Listen to what others have to say on the 19th and follow their suggestions.

You feel the urge to do some mental or emotional house cleaning, starting on the 7th with a review of an old relationship. Others want you to focus on work, particularly on imaginative new projects. Find time for yourself each day regardless of your work load.

A serious relationship brings awareness of underlying philosophical or spiritual values that you cherish. On the 2nd you realize that your partner can also be a public ally. Time rushes on, and you return to this realization on the 30th with new understanding.

Scorpio

On the 4th you partner up for recreational or other creative activities with a person who has loads of imagination but not as much practical punch as you have. Listen to all ideas and go about making them reality on your own. Get back in touch around the 22nd.

A friend wows you with all the details of a new plan and the energy to get it into motion. You may need to adjust your thinking in private as you come to terms with possibilities you had not considered. Reveal your conclusions on the 22nd and brace for big changes.

Other people drag you into social activities and team efforts at work. You want to work on your own but get little chance to do so. Tell a female what you want on the 5th and let her make it so. You have the advantage on the 22nd. Don't let it slip from your grasp.

Your relationship deepens when you establish a comfort zone for conversations about difficult topics. Make sure you are on the same side in all the important issues. Use imagination and spiritual insight to enhance your partnership. Act as one on the 29th.

♐ Sagittarius

You could be busy as a mad hatter as you try to balance social obligations with unique conditions that arise up at work. Logic tells you to adjust your schedule to make room for surprises. This is easier said than done. Revise your entire plan on the 12th.

Someone needs all your compassion now. Make time for emotional support and track details in writing so you don't forget anything. On the 4th or 5th you learn a deeper meaning of the maxim "go with the flow." Hire a professional plumber and save a lot of trouble.

Don't let outsiders run your show. Family members need your time and attention. Let associates know that you will jump on the bandwagon as soon as personal issues are resolved. Pay attention to those items that must be handled immediately if not sooner.

One of two things can happen: an older person enters the picture to entice you with what seem like solid promises, or an ultra-logical friend points out that it is time for you to have some fun, possibly at the beach but definitely in the sun. You may just get both!

♑ Capricorn

By the 9th you discover logic where you previously found only intuition and the occasional wild psychic flash. You find exactly what you need in your work environment to carry forward complex reforms that quickly improve the bottom line.

Someone obsesses over decisions this month. Around the 12th the choices seem all too obvious, yet decisions are not made. Eventually circumstances force you to take action. Advice on the 15th brings clarity. Expect adjustment in group routines around the 20th.

Your hearing capacity may fluctuate due to a head cold or water in your ears. You may have intensified psychic awareness associated with hearing. Your voice may also have an odd timbre due to head congestion. Seek appropriate treatment on the 12th and 14th.

Relationship issues become somewhat public the first half of the month. From the 4th to the 6th you face the necessity of damage control because the facts play only the smallest of roles. Around the 12th you have a chance to set the record straight. It's never too late.

♒ Aquarius

There is great power in working behind the scenes and expecting no glory. You get a lot done quietly for one thing. For another, around the 12th to 14th you are fully prepared for adjustments while others seem shocked by the obvious. Make a change on the 25th.

Take your turn as chef and make sure there is always something tasty and nutritious at mealtime. However, don't test gourmet ideas on others until you have prepared and eaten the dish yourself. Keep other people's favorite foods in mind as you plan party menus.

Money may seem to flow into and out of your hands very easily now. You see more income around the 4th than expected, but as early as the 5th you find ways to spend the extra cash. An associate suggests ways to save on big purchases around the 22nd.

Make a relationship public as early as you can. Others are not deaf and blind. They know something is in the air. Share your joys or sorrows around the 12th. By the 15th you gain a fresh perspective. Enjoy your partner without stressing over things that are in the past.

♋ Pisces

This month you may accidentally come into a better job or some extra cash. No effort is required. However, you could exercise restraint in spending what you gain. Save for a big purchase. Think about it overnight to be sure you are getting the best deal possible.

Get creative with your social calendar—you have to do this if you want to attend all the important activities. Although you want to stay for all the festivities, you can leave one event early and take in a second event later. Include an older family member on the 12th.

Demonstrate compassion for yourself first. Then you are better able to effectively care for others. On the 23rd a female reveals what home can be like with teamwork. Details reveal the need to change previous decisions. Take time each day to smell the roses.

Romance backtracks a bit this month. Take time to understand what has been said and done lately. The 7th is a great day for passion, but it has a bit of an edge. The 23rd produces smooth sailing if you consider each other's feelings first, and then satisfy desires.
