Financial matters tend to move in the direction of abundance on the 8th, 9th, 10th, and 11th (Full Moon). Superficial analysis of any health-related topic doesn’t satisfy when you’re after thorough info from the 26th (New Moon) to 30th.

While you’re giving 110-percent from the 20th to 30th, it’s pretty much a no-brainer that you (and/or a teacher, boss, or authority) will remember who the goof-offs are.

A flirtation may not advance past the pleasant ego-boost stage on the 1st or 2nd, but that doesn’t necessarily mean it isn’t fun. Love mates could have different expectations that make common ground unusually difficult to find on the 7th or 8th. One kept at an arm’s length is probably kept that way for some very good reasons on/near the 9th. Romantic impulses are unpredictable, exciting, and spicy on the 14th, 15th, 16th, 17th, 18th, 28th, 29th, and 30th, but avoid snappy words that can rouse angry vibes previously put to bed.

boulder. A nostalgic longing for security can paint an unrealistic picture of a past relationship on/near the 16th. When
it comes right down to it, an introduction or meaningful progression in a relationship may not happen without a step
outside your comfort zone on the 17th and/or 18th. New Moon of the 26th bodes well for prospects of love on this
date, the 27th, 28th, 29th, and 30th.

material considerations of the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, and 9th. Dreaming of a future together might be a
shared experience on the 10th and/or 11th (Full Moon). It’s tempting to approach love from an exceptionally idealistic
or spiritual angle from the 19th to 23rd.
